PRELIMINARY	PROVISIONS
A) Purpose of the Ordinance	The purpose of this ordinance is to delegate certain powers and functions of the Council of Commissioners (CC) to the following delegates: Executive Committee (XC), non-executive and executive staff.
B) Delegation of powers	Delegation: "A delegation of powers is a legal act whereby the authority (the delegator) invested with certain powers turns over the exercise of those powers to another authority (the delegate). Accordingly, the delegate takes on the obligations and responsibilities associated with the delegated powers." Delegator: "Person who delegates." Delegate: "Person to whom one delegates something."
C) Legal framework	The functions and powers of this ordinance are delegated pursuant to sections 185, 187 and 662 of the EACINNP. These functions and powers are exercised by the delegates in accordance with applicable legislation, regulations, budgetary rules, policies, directives and collective agreements.
	Pursuant to section 665 of the EACINNP, all ordinances are immediately transmitted to the Minister on being passed. The Minister shall review such ordinances within forty days and, except where the matters dealt with therein are based on Inuit culture and Inuttituut, may disallow them in writing. Unless the Minister has disallowed them, all ordinances shall automatically come into force forty days after the date of their being passed or at any earlier date indicated by the Minister.
	Note that the Education Act does not apply to Kativik Ilisarniliriniq. When cited, it is only for reference purposes and consistency with other school boards in Quebec.

D) Authority of the delegate (XC, non-executive or executive)	The delegation of powers and functions to the delegate includes exclusive, full and complete authority over the object of the delegation and extends to any act resulting from this authority or which is useful for its implementation. The delegated authority to take a decision or perform an act includes the power not to do so, to do so in part or to cancel it, as the case may be.
E) The delegate's accountability and responsibility	Pursuant to section 187 of the EACINNP, the functions and powers delegated to executives (delegates) are exercised under the Director General. The delegate is accountable for the actions and decisions he/she takes under this ordinance and reports to his/her immediate supervisor, in accordance with the procedures determined by the Director General. The CC is informed by the Director General. The Director General reports to the CC or, as the case may be, to the XC.
F) Absence or inability of the delegate	In case of absence or inability of the delegate, the powers delegated to him/her shall be exercised: – by his/her assistant, or by the assistant designated by him/her in case there are more than one assistant, unless the immediate supervisor of the delegate decides otherwise; – by the immediate supervisor of the delegate, in case the delegate does not have an assistant, or by another executive designated by the immediate supervisor. This provision does not apply to the XC or the DG. In case of absence or inability of the DG, the powers exercised by him/her are exercised by an ADG.
G) Power of the CC (delegator)	The functions and powers delegated in this ordinance may be amended or revoked in whole or in part by the CC, by ordinance.
	NOTE: When the acronym "CC" appears in the 2nd column of the following table, it means that the power is not delegated

	but retained by the CC.	
H) Governance	The application of this ordinance is in keeping with the principles of governance between elected officials, non-executives and executives, thus promoting sound management of public funds and accountability.
